Update Your Address

Submit any changes in your local or permanent addresses immediately. Update your address via the portal. Updating your address will ensure that all important university mailings, including your diploma, are delivered to the correct destination. It is especially important that, before leaving Chico State, all graduates update their permanent addresses.

Career Services

Contact the Chico State Career Center for information on job postings, career fairs, and resume Workshop. Network with other alumni on the official Chico State Alumni Association LinkedIn Group.

The Graduation Pledge of Social and Environmental Responsibility

Do more with your degree than simply sustain your own life. Take the graduation pledge and join more than 110 other colleges and universities over the world in a commitment to social and environmental accountability. Pledge your commitment to all that you've learned at CSU, Chico by making a pledge to yourself. The pledge is free, simple and takes less than five minutes. Once you've made the pledge, you are one of thousands of students who are committed to social and environmental accountability for life.

For more information on the graduation pledge, please visit their main website.
