# Internal Research Grants
# Spring 2013 Competition

## Faculty Development Deadline: Tuesday, February 19, 2013-4 p.m.

## Jumpstart Deadline: Tuesday, March 5, 2013-4 p.m.

*Submit applications to 25 Main St., Suite 103*

CSU, Chico and the Research Foundation provide funds annually for Internal Research Grants (IRGs) to support faculty and staff research, scholarship and creative activities. See **Guidelines** at the link below for program details, eligibility requirements, and application forms.

The spring competition offers the following two programs:

### Faculty Development – Award period: Fall 2013-Deadline: February 19

Approximately **eight** awards of $4,971 each for **.2 assigned time (3 unit course)** in Fall 2013.

Awards are available for:

- Faculty who are on tenure track or who are tenured but have not yet reached full professor rank
- Research, scholarship or creative activities that strengthen the possibility of tenure and/or promotion

### Jumpstart to Submit a Federal Grant Proposal ("Jumpstart")-Deadline: March 5

Approximately **six-seven** awards of $3,000 each. Submit an application for funds to **develop and submit a new proposal** for an identified federal agency/departmental funding program. All RFPs/calls for proposals with a 2013 deadline are eligible in this competition.. Proposal preparation expenses may include either additional employment or operating expenses (e.g., technical editor/grant writer or other consultant, publication, travel, equipment, etc). Funds must be expended within one month after submitting your federal proposal.

Applications will be reviewed in two categories:

- Assistant Professors
- All other faculty, staff, Research Foundation employees in Centers, project-specific units and offices
