Academic Advising Programs

Academic Advisors are here to help you navigate requirements, policies, and opportunities, and to help you explore and achieve your academic goals. Each student is an important member of the Chico State community - we want your experience here to be a successful one, and we look forward to speaking with you.

Come See the Academic Advising Office For:

- Major and Minor Exploration
- General Education Course Planning
- Interdisciplinary Pathway Minor
- Graduation Requirements
- GPA Advising (including Academic Probation)
- Navigation policies, requirements, and opportunities

CSU, Chico utilizes a dual advising system, undergraduate students are provided support through Academic Advising Programs Office, but highly encouraged to also consult with their major department advisor.

[Table of Contents]
Helping Student Achieve Their Academic Goals

How Advising Works:
CSU, Chico utilizes a Dual Advising System, where undergraduate students are provided support through Academic Advising Programs as well as a major department advisor.

What to Expect from an Advisor?
Students can expect Academic Advisors to listen and respond to interests and concerns, accept students as a unique person, know university policies and procedures, know where to access appropriate information, and serve as a resource for academic and life goals.

Having Difficulty Deciding on a Major?
It is not uncommon for students to change majors or to spend time investigating majors. We advise Undeclared Majors and assist all students to explore with intention.

Interpreting Degree Progress Reports (DPR)
We help students understand and use online academic record information, including completion of GE, major, and graduation requirements.

Academic Advising Services
- Home of Undeclared
- Major and Minor Exploration
- General Education Course Planning
- Interdisciplinary Pathway Minors
- Graduation Requirements
- GPA Advising (including Academic Probation)
- Navigating policies, requirements, and opportunities
- Online course planning tools including the Degree Progress Report (DPR)
- Academic Workshops
