- Geology
- Human Biology
- Physical Science

#### Nursing–BS

- General Nursing

#### Nutrition and Food Science–BS

- Food & Nutrition Communication
- General Dietetics
- Nutrition Management

#### Physics–BS

- General Physics
- Professional Physics

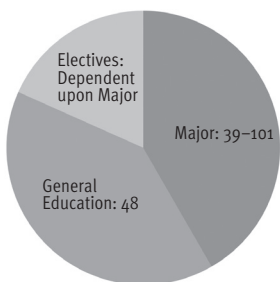

## Explore Possible Majors

Chico State has so much to offer. It is common for students to change their major more than once or spend time exploring majors. Academic Advising Programs is the home for undecided majors. Our advisors can identify courses that will fulfill both general education and major requirements. Let us help you explore with intention!

## Develop a Plan to Graduate

We want to assist you on your path to graduation. There are nine basic graduation requirements students must meet in order to earn a bachelor's degree from Chico State. It is important to plan your degree program carefully by reviewing the Degree Progress Report, meeting with your advisor(s) once a semester and reviewing the online University Catalog. The catalog provides descriptions of colleges, departments, programs, courses, degree requirements and university policies that impact students.

Degree Completion

### 120-127 Needed to Graduate

Major: 39-101 units

General Education: 48 units

Electives: Dependent upon Major

## UNDERGRADUATE MINORS

*A **Minor** is an approved group of related courses of 18-30 units. Successful completion of which is recognized on your transcript. Minors, like majors, consist of a set of required courses and all prerequisites to these courses. A minor is not usually a graduation requirement, although it may strengthen your undergraduate program, increase employment opportunities, and broaden your intellectual perspectives.*
