**Student Success Map**

- Meet deadlines to register, pay fees, and apply for financial aid.

- Complete a sufficient number of units each term (25–36 units) to graduate in four years. Some programs require more.

- Check your Student Center prior to registration for registration holds and updating your personal info.

- Check your Student Center in the first two weeks of classes to confirm your class schedule and that all adds and drops have been processed as you expected.

- Check your Student Center after each semester for your grades and academic standing. If your GPA drops below a 2.0, consult an Advisor.

- Attend the College of Ag Career Fair. Talk to at least one employer.
