Department of Health and Community Services

Essentials for Every Semester

• Mandatory major advising is required prior to registration each semester.
• For general course selection, consult Advisers in SSC 220.
• Meet deadlines to register, pay fees, and apply for financial aid.
• Check your DPR. Are you on-track to meet requirements?
• Complete a sufficient number of units each term (55-60 units) to graduate in four years. Some programs require more.
• Check your Student Center prior to registration for registration holds and updating your personal info.
• Check your Student Center in the first two weeks of classes to confirm your class schedule and that all adds and drops have been processed as you expected.
• Check your Student Center after each semester for your grades and academic standing. If your GPA drops below a 2.0, consult an Advisor.

FRESHMAN

Learn where to find and how to use campus resources such as the Student Learning Center, Health Center, Academic Advising, Wellness Center and your faculty advisor.
Visit each of your instructors during their office hours.
Go to Butte 407 to be assigned a major advisor. Make an appointment with your advisor and get a file started.

Obtain your Major Academic Plan (MAP). It will enable you and your advisor to plan for each semester.
If you need preparatory math and/or English courses, complete them in your first year.

SOPHOMORE

Know how to use your Degree Progress Report (DPR) in your Student Center.
Go to Academic Advising for help.
Complete your GE Foundation courses. Explore GE Pathways. Consider completing an interdisciplinary minor within your GE. Consult an advisor for help.

Consider an internship to explore your major and build professional skills. Internships provide you with valuable work experience prior to graduation.
Participate in service opportunities connected to the department’s clubs.

JUNIOR

Apply for graduation one year in advance of your expected graduation date.
If your required classes are being shown as full, see your advisor immediately.
Begin your Upper Division GE Pathway courses.
Investigate internship possibilities for next year.

Build up your resume with volunteer experience. Participate in campus causes like “Take Back the Night” and “Up til Dawn”.

Review your involvement, leadership, and cultural competencies. Have you participated in on- or off-campus activities such as clubs, community service, lectures or forums?

REVIEW

JUNIOR

Check your DPR. Are you on-track to meet requirements?
Complete your GE Foundation courses. Explore GE Pathways. Consider completing an interdisciplinary minor within your GE. Consult an advisor for help.

Start taking the lower division major classes.

Volunteer with CAVE.

Visit the Student Activities Office and get involved with a club or organization - or start your own. Check out the Freshman Leadership Opportunity (FLO).
Read the Book in Common (BIC) and participate in BIC activities.

Select courses in GE that meet the diversity requirements (US Diversity and Global Cultures). Participate in a campus or community clean up.

Consider a time management workshop in the Student Learning Center.
Use the Career Center to assess your interests, skills, and work values, and to get a resume started; find a summer job related to your major.

Explore Study Abroad opportunities. Attend an info meeting they offer every semester. Or consider National Student Exchange.
Attend the campus conference: This Way to Sustainability.

Volunteer to help at the campus conference: This Way to Sustainability.
