**Get Good Advice**

- Consider volunteering in the community.
  - Check out CAVE in the BMU.
- Consider visiting the Student Activities Office and get involved with a club or organization or start your own.
  - Check out the Freshman Leadership Opportunity (FLO).
- Read the Book in Common (BIC) and participate in BIC activities.
- Participate in Study Abroad, National Student Exchange, or Camp Adventure opportunities.
  - Attend a Study Abroad info meeting which are offered every semester.
- Review your involvement, leadership, and professional. Have you participated in on-or off-campus activities such as clubs, community service, recreational opportunities, musical, dramatic or cultural performances, lectures or forums?
  - Network with alumni, advisory boards, and other potential employers.
- Consider a time management workshop in the Student Learning Center.
  - Use the Career Center to assess your interests, skills, and work values.
- Visit the Career Center to learn about career opportunities and résumé building. Attend a career fair on campus, regularly scheduled early in fall semesters and several times during spring semesters.
- Take GRE or other appropriate exams. Apply for a job or graduate/professional school.

**Take the Right Classes**

- Obtain your Major Academic Plan (MAP). Follow the course sequence on your MAP.
  - If you need preparatory math and/or English courses, complete them in your first year.
- Take ENGL 333: Begin Science and Math sequence.
- Review your involvement, leadership, and professional. Have you participated in on-or off-campus activities such as clubs, community service, recreational opportunities, musical, dramatic or cultural performances, lectures or forums?
  - Network with alumni, advisory boards, and other potential employers.
