YOUR BIG FUTURE

Affording Chico

California State University, Chico is one of the most affordable public universities in the country. Undergraduate tuition is locked in for at least two years and students can choose from more than 50 merit- and need-based scholarships. About 1 out of 3 students receives a work-study, or a loan.

Chico is a gateway to success. From class projects to leadership roles, student-run organizations connecting and engaging at Chico State work, laugh, learn, and lead together by thinking and growing academically. Our tree-filled residential grounds that are an arboretum (tree-lined walking campus), our small-town feel and quaint downtown, our rich athletic heritage, our Green, Inside & Out, and our commitment to planning for the future and are committed to doing so sustainably.

Through our community and campus, Chico State offers a variety of on campus and off campus opportunities to engage in a diverse array of activities that promote leadership, collaboration, hands-on learning, and problem solving. There are more than 100 registered student organizations, including 11 intercollegiate sports and 23 club sports, which attract about 5,000 athletes annually. Chico State offers an array of enriching academic programs that are designed to provide students with the knowledge and skills necessary to succeed in their chosen careers.

Chico State is committed to providing an environment that is safe, supportive, and welcoming to all students. We are dedicated to providing a culture of respect and inclusion that is inclusive of all students, regardless of their background or identity. Our mission is to create a diverse and equitable campus community that is welcoming, inclusive, and welcoming to all. We believe that diversity and inclusion are essential components of a successful and vibrant university.

Chico State is also committed to providing a diverse and inclusive educational experience that prepares students for success in their chosen careers. We are committed to providing a range of academic programs that are designed to provide students with the knowledge and skills necessary to succeed in their chosen careers.
