Instructor: Clay Carlson
Email: ccarlson2@csuchico.edu
Office: Plumas 321
Phone: 898-6694

Class Schedule: Friday 12:00-4:50pm University Farm 003 classroom
Office Hours: MW 10-11am; or by appointment

Course Content: This course is intended to give students an understanding of how to evaluate market and breeding beef, sheep, goats, and swine utilizing both visual appraisal as well as objective performance records. This course will help give students an objective approach to select animals based on certain criteria and standards. Students that demonstrate proficiency in understanding selection as well as oral reasons will have an opportunity to participate on the Intercollegiate Livestock Judging Team at CSU, Chico.

Fall Contests:

Western Fall Classic – Medford, OR. October 1, 2016
Fresno State Contest – Fresno, CA. October 22, 2016
Chico State Contest – CSUC Farm. November 20, 2016

Attendance:

Required for a passing grade.

Grades:

Points will be based off of class activities and judging classes judged. Oral reasons will be scored to generate points as well.
