Old Business
Transition/Self Evaluation

- Lauri initiated discussion of updating the campus self evaluation plan.
- Lauri gave historical context for the original self evaluation/transition plan done in 1995.
- Lauri asked Rob Thacker to provide some context regarding the transition plan and how the new consulting plans conducted the past few years serves as updated transition plans.
- Rob Thacker shared that he has a contact that has a useful tool that can be used to do a new transition plan which would allow it to be a “living document”
- Lauri shared that the next step would be to decide on a self evaluation tool and timeline.
- Maurice Bryan recommended that the committee used the ADA audit questionnaire as the self evaluation tool.
- Lauri agreed that Sandy Parsons, Chair, would send out examples of self evaluation tools for committee to consider for discussion at next meeting. New Business
