Lecture Notes/Power Point Use Agreement

I am requesting the use of faculty lecture notes and/or Power Point Presentations as a DSS approved reasonable accommodation. I am specifically requesting that I receive PPT and/or lecture notes prior to the instructional lecture when possible. This will allow me independence and provide me an equally effective way to take my own notes.

By signing this agreement, I agree to the following:

1. I am registered with DSS.
2. I am approved for use of lecture notes and/or PPT.
3. I will use this information only as an academic accommodation.
4. I will not share or disseminate this information.
5. I will destroy this information when the class is over.
