

BOTANICAL ILLUSTRATION

May 19, 2012
Saturday

Want to draw plants and flowers?

Here's your chance!

Want to draw plants and flowers? Here's your chance! Local illustrator and teacher, Judy McCrary, will lead this one day workshop on botanical illustration. The workshop will concentrate on pencil and ink techniques, although other media may be explored depending on the interests of the participants.

Please bring a 2B or a regular #2 pencil. If you already have a crow-quill pen base and nib, and black ink, bring those, too. You are welcome to borrow pencils, pens, ink, and paper if you want to try things out before making any purchases. You can find everything you could want at Ellis Art & Engineering Supplies in downtown Chico, a few blocks from the class. Let's all bring plant cuttings and flowers to share and draw. Please also bring a lunch.

The workshop will meet on Saturday, May 19, 2012, from 10:00 a.m. to 4:00 p.m. in Holt Hall room 129 at CSU Chico. Registration for the workshop is \$40.00 (\$30.00 for students, and for members of Friends of the Herbarium); please register in advance. Class size is limited to 16 participants (class cancelled without a minimum of 5 participants); older children are welcome to register. For more information about workshop content please contact Judy McCrary at jmccrary@digitalpath.net. For more information about registration or directions please contact the Biology office at (530) 898-5356 or jbraden@csuchico.edu.
