

Housing Application Deadline: April 17, 2009

**Application for Housing in the
Konkow Mathematics and Science House
California State University, Chico
2009-10**

Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone Number: _____

E-mail Address: _____

I wish to apply for housing in the Konkow Mathematics and Science House. I understand that if accepted, I will be guaranteed a spot in the premier apartment-style on-campus housing in Konkow Hall. I understand that residents will be offered academic support, advising, and the option of participating in Project M.A.T.H. (**M**athematics **A**nd **T**eaching on the **H**orizon), an innovative program for undergraduates interested in becoming secondary mathematics teachers.

Signature: _____ Date: _____

Intended Major: _____

In order for your application to be considered, you must attach all of the following:

- 1) A copy of your high school transcripts (unofficial copy is fine).
- 2) A list of the courses you are currently taking (if not listed on the copy of your transcripts).
- 3) A one-page (maximum) personal statement that addresses your career goals, your reasons for wanting to live in the Mathematics and Science House, and the assets you would bring to the House.

- If you are interested in becoming a mathematics teacher, check here to be simultaneously considered for participation in Project M.A.T.H. If you are, your personal statement should instead address your reasons for wanting to be part of Project M.A.T.H. and the assets you would bring to Project M.A.T.H.

All incoming mathematics and science majors are encouraged to apply.

Priority will be assigned based on:

- ✓ Career goals ✓ Calculus-readiness ✓ Date of receipt of the application.

Mail Application to: Mathematics and Science House Center for Mathematics and Science Education California State University, Chico Chico, CA 95929-0530
--

Note: A separate application for housing must be filed with the Housing Office.
