

**Commencement Parking:**

Parking on the CSU, Chico campus is very limited. Here are some points to keep in mind.

- **Disabled/limited mobility Parking:** The parking lots closest to the commencement area have been reserved for this use. These lots tend to fill up quickly so it's best to arrive early.
- **General Parking:** See attached map. The parking lots located on Normal St., Hazel St., the structure on Cherry St. and three lots on Orange St. are all designated for general parking use.
- **On Street Parking:** The campus is surrounded by on street parking. However, there are parking restrictions in these areas. Please pay close attention to signs posted.
- **Shuttle:** There will be a shuttle picking up from the CSUC general parking areas. This shuttle will take you directly to the commencement location. The same shuttle will also pick up guests at the completion of the commencement ceremonies.
- Be advised, traffic on Warner Street will be diverted and the road will be closed before and after the commencement ceremony. (Does not apply to disabled/limited mobility parking)
