Computer Science Activity CSCI 400
Enrollment & Evaluation Form

**Student Instructions** Fill out the first part of this form, have it signed by the faculty member who will be supervising your CSCI 400. Give one copy to your advisor and submit a second copy to the Computer Science Department office. Document your activities as the semester progresses so you can present a summary to your supervisor at the end of the semester. At the end of the semester discuss your activity with your supervisor. If you do not arrange to discuss your activities with your supervisor, you will automatically receive no credit. The supervisor will determine the grade and submit the completed form.

**Standards** In order to get credit for CSCI 400 you must spend at least 20 hours during the semester involved in your proposed and approved activities. Examples of appropriate activities: volunteering in labs, tutoring, attending club meetings, and participating in club activities (this list is not complete, you and your faculty supervisor determine your activities).

Enrollment (to be completed at start of semester)

 Semester/Year: ____________________________________________
