

California Science Project

Inland Northern California

Got Chemistry?

CSP-INC Summer Institutes for K-12 Teachers

on the California State University Campus

Microbiology and English Language Development Institutes also available.

Learn how chemistry applies to the Life and Earth California Science Content

Standards as well as the Physical Science standards in the K-12 curriculum. Learn new teaching strategies, assessment techniques, and reflection methods to optimize student achievement

Focus on chemistry as a laboratory science addressing the Investigation and Experimentation strand of the standards.

Receive training and financial support to transfer your lab experiences into your classroom.

Learn how to apply the activities to your grade level and standards.

Have fun, make professional connections, and earn course credits.

Application Deadline: By 5 pm on April 30, 2001

Either print out application below and mail it in with all necessary components or apply on-line by clicking [HERE](#)

Choose from 4 Different Summer Institutes:

June 18-29, 2001 Two Week "Got Chemistry?" K-12

- ◆ Mon-Thurs 8:30am - 8pm; Fri 8:30am - 3pm
- ◆ \$500 Stipend and \$300 Minigrant
- ◆ Opportunity to earn 4 units of continuing Education credit or 2 units towards MA in Science Teaching
- ◆ Room and board provided for non-commuters
- ◆ Academic year follow-up available

June 18-29, 2001 Microbiology for HS Teachers

- ◆ Mon -Thurs 8:30am - 8:00pm; Fri 8:30am - 3:00pm
- ◆ \$500 Stipend and \$300 Minigrant
- ◆ Opportunity to earn units of Continuing Education credit, MA units pending
- ◆ Room and board provided for non-commuters
- ◆ Academic year follow-up available

June 25-29, 2001 One Week Middle School Chemistry

- ◆ Mon-Thurs 8:30am - 8:00pm; Fri 8:30am - 3:00pm
- ◆ \$250 Stipend and \$100 Minigrant
- ◆ Opportunity to earn units of Continuing Education credit
- ◆ Room and board provided for non-commuters
- ◆ Academic year follow-up available

June 18-22, 2001 One Week Science-based English Language Development K-12

- ◆ Mon-Fri 8:00am - 12:00pm & 1:00pm - 5:00pm
- ◆ \$500 Stipend
- ◆ Opportunity to earn 2-3 units of credit through the Dept. of Professional Studies in Education
- ◆ Teams from schools with English Language Learners are encouraged to attend, including teachers, administrators, instructional aides, pre-service teachers, and mini-corps students
- ◆ Additional 80 hrs of academic year follow-up and support, as well as an additional \$500 stipend are part of this Governor's Initiative.
- ◆ Room and board scholarships available

Possible Co-payment Funding Sources: Professional Development or School Improvement Programs, Lottery, AB 1725, Eisenhower, Chapter 1

Notification of acceptance into the institute to be sent out by **May 4, 2001**

Check the institute for which you are applying. If you have a second choice, please indicate preferences numerically.

- June 18 - 29 Two Week "Got Chemistry?"**
- June 18 - 29 Microbiology for High School Teachers**
- June 25 - 29 One Week Middle School Chemistry**
- June 18 - 22 One Week Science Based ELD**

Name _____ School _____

Address _____ Address _____

e-mail _____ District _____

Phone _____ Phone _____

Social Security # _____ Principal _____

Position and grade levels taught _____

Please include the following on a separate piece of paper.

1. Describe your current professional assignment.
2. Provide a brief narrative indicating why you want to participate in the specified institute and what you hope to accomplish.
3. Describe your involvement (if any) in other professional or curriculum development projects or site and district committees on which you serve.

School/District Commitment

- A copay from the school or district of \$600 for each Two Week participant or \$300 for each One Week participant. \$100 for ELD participants.
- Provide time for participating teacher(s) to share their science program.
- Pay the travel expenses to and from the summer institute and follow-ups
- Maintain financial records for purchases from the participant's instructional materials mini-grant money.
