Electives Requirement:
To complete the total units required for the bachelor's degree, select additional elective courses from the total University offerings. You should consult with an advisor regarding the selection of courses which will provide breadth to your University experience and possibly apply to a supportive second major or minor.

**Grading Requirement:**

All courses taken to fulfill major course requirements must be taken for a letter grade except those courses specified by the department as Credit/No Credit grading only.

**Advising Requirement:**

Advising is mandatory for all majors in this degree program. Consult your undergraduate advisor for specific information.
Minor Change to an Undergraduate Program

Program Name: Journalism, Public Relations

Complete only if applicable
Program named above is:
☑ Option within Journalism
(degree program name)

☐ Advising Pattern within
(option name)
within
(degree program name)

☐ Minor

☐ Certificate

☐ Changes being made affect a subject matter preparation or credential program.

Brief rationale for change:
Total units for major completion are being increased to 48, from 46-47. This is the result of increasing JOUR 329, "News Lab/The Orion," and JOUR 445, "PR Lab/TGC/onsite internships," to 3 units each. Both had been held at 2 units by an accreditation requirement that no longer exists.

Does the proposed change enhance or support the Diversity Action Plan (see definition & Task 3.1)? ___
If yes, please explain.

It is recommended that you meet with your major advisor early in your academic career and every semester. Consider meeting the United States Diversity and Global Cultures requirements within GE courses. Complete a minimum of 4 Writing Intensive (WI) courses—one will be met by your Written Communication Course and one by your Capstone Course; select 2 additional WI courses. Apply to graduate one year before anticipated graduation date. Priority registration is guaranteed your final semester if you applied for graduation by the stated deadline.

Minor Change to an Undergraduate Program

Program Name: Journalism, News

Complete only if applicable
Program named above is:

☑ Option within Journalism
      (degree program name)

☐ Advising Pattern within
      (option name)
      within
      (degree program name)

☐ Minor

☐ Certificate

☑ Changes being made affect a subject matter preparation or credential program.

Brief rationale for change:
Total units for major completion are being increased to 48, from 46-47. This is the result of increasing JOUR 329, "News Lab/The Orion," and JOUR 445, "PR Lab/TGC/onsite internships," to 3 units each. Both had been held at 2 units by an accreditation requirement that no longer exists.

Does the proposed change enhance or support the Diversity Action Plan (see definition & Task 3.1)? □
If yes, please explain.

Total Course Requirements for the Bachelor's Degree: 120 units

See Bachelor's Degree Requirements in the University Catalog for complete details on general degree requirements. A minimum of 40 units, including those required for the major, must be upper division.

A suggested Major Academic Plan (MAP) has been prepared to help students meet all graduation requirements within four years. You can view MAPs on the Degree MAPs page in the University Catalog or you can request a plan from your major advisor.

General Education Pathway Requirements: 48 units

See General Education in the University Catalog and the Class Schedule for the most current information on General Education Pathway Requirements and course offerings.

- JOUR 460 is an approved major course substitution for Upper-Division Arts/Humanities.
- JOUR 260, JOUR 321, and JOUR 341 are approved GE Writing Intensive Substitutions.

Diversity Course Requirements: 6 units

See Diversity Requirements in the University Catalog. Most courses taken to satisfy these requirements may also apply to General Education.

Literacy Requirement:

See Mathematics and Writing Requirements in the University Catalog. Writing proficiency in the major is a graduation requirement and may be demonstrated through satisfactory completion of a course in your major which has been designated as the Writing Proficiency (WP) course for the semester in which you take the course. Students who earn below a C- are required to repeat the course and earn a C- or higher to receive WP credit. See the Class Schedule for the designated WP courses for each semester. You must complete the GE Written Communication (A2) requirement before you may register for a WP course.

Course Requirements for the Major: 48 units

Completion of the following courses, or their approved transfer equivalents, is required of all candidates for this degree. Additional required courses, depending upon the selected option are outlined following the major core program requirements.

National accreditation standards require a journalism major to take a 48-unit journalism/communication curriculum. The following courses, if taken as General Education or upper-division pathway, will apply to the 72 outside units: CMST 131, CMST 132, CMST 255, CMST 334. Community college transfer students may apply 18 units to the 48-unit major in agreement with the Journalism Transfer Model Curriculum (equivalents to JOUR 101, JOUR 210, JOUR 244, JOUR 260, lower-division student media and lower-division photojournalism).
