The Master of Arts in Communication Sciences and Disorders

Note: The MA pattern is used to complete requirements for the Speech-Language Pathology Services Credential. Refer to the website www.ets.org/praxis.asha for information on current examination requirements.

Course Requirements for the Master's Degree: 52-60 at least 52 units

Continuous enrollment is required. At the discretion of the academic program, a maximum of 30 percent of the units counted toward the degree requirements may be special session credit earned in non-matriculated status combined with all transfer coursework. This applies to special session credit earned through Open University, or in courses offered for academic credit through the Center for Regional and Continuing Education.

Graduate Time Limit:

All requirements for the degree are to be completed within five years of the end of the semester of enrollment in the oldest course applied toward the degree. See Master's Degree Requirements in the University Catalog for complete details on general degree requirements.

Prerequisites for Admission to Conditionally Classified Status:

1. Satisfactory grade point average as specified in Graduate and Postbaccalaureate Admission Requirements in the University Catalog.

2. Approval by the department and the Office of Graduate Studies.

3. An acceptable baccalaureate from an accredited institution, or an equivalent approved by the Office of Graduate Studies.

4. Completion of the Graduate Record Exam.

Prerequisites for Admission to Classified Status:

In addition to any requirements listed above:

Successful completion of CMSD 488 Research Methods or equivalent, as determined by the faculty.

Advancement to Candidacy:
In addition to any requirements listed above:

1. Development of an approved program plan in consultation with the Graduate Coordinator.

2. Classified graduate standing.

3. Completion of two semesters of full-time coursework and clinic with at least a 3.0 grade point average.

Requirements for the MA Degree in Communication Sciences and Disorders:

Completion of all requirements as established by the program, graduate advisory committee, the Graduate Coordinator, and the Office of Graduate Studies, to include:

1. Completion of an approved program consisting of at least 52 52-60 units of 400/500/600-level courses as follows:

(a) 52-60 At least 52 units in the discipline of Communication Sciences and Disorders.

(b) At least three-quarters of the units required for the degree in 600-level courses.

(c) At the discretion of the academic program, a maximum of 30 percent of the units counted toward the degree requirements may be special session credit earned in non-matriculated status combined with all transfer coursework. This applies to special session credit earned through Open University, or in courses offered for academic credit through the Center for Regional and Continuing Education. (Correspondence courses and UC Extension coursework are not acceptable for transfer).

(d) Not more than 15 units taken before admission to classified status.

(e) Not more than a total of 10 units of Independent Study (697) and Master's Thesis (699T) or Master's Project (699P); not more than 6 units of Master's Thesis (699T) or Master's Project (699P).

(f) Completion of 400 clock hours of supervised clinical experience in the practice of speech-language pathology.

(g) Course work must be selected each semester according to the following sequence of offerings: A maximum of 18 units of credit/no credit may be applied to the degree.

(h) Course work must be selected as follows:

First Fall Semester Courses

CMSD 543 Autism Spectrum Disorders and Behavioral Interventions - 3.0 FA -
CMSD 620 Acquired Cognitive and Language Disorders - 4.0 FA -
CMSD 640 Assessment and Management of Auditory Disorders - 3.0 FA -
CMSD 684 Clinical Practicum - 2.0 FS -

First Spring Semester

CMSD 632 Evidence-Based Practice and Experimental Design in CMSD - 2.0 FS -
CMSD 635 Voice and Resonance Disorders - 3.0 SP -
CMSD 642 Motor Speech and Swallowing Disorders - 4.0 SP -
Prerequisites: CMSD 620,
CMSD 684 Clinical Practicum - 2.0 FS -

Second Fall Semester

CMSD 630 Disorders of Articulation and Phonology - 3.0 FA -
CMSD 652 Seminar in Language Disorders in Children - 3.0 FA -
CMSD 675 Methods in Speech-Language Pathology - 1.0 FS -
CMSD 682 Practicum in Speech-Language Pathology Diagnosis - 1.0 FS -
CMSD 689 Clinical Internship in Speech-Language Pathology - 2.0–8.0 FS -
CMSD 699P Master's Project - 1.0–6.0 FS -

OR (the following course may be substituted for the above)

CMSD 699T Master's Thesis - 1.0–6.0 FS -

Second Spring Semester

CMSD 633 Professional Aspects of Communication Sciences and Disorders - 3.0 SP -
CMSD 645 Augmentative and Alternative Communication - 3.0 SP -
CMSD 675 Methods in Speech-Language Pathology - 1.0 FS -
CMSD 682 Practicum in Speech-Language Pathology Diagnosis - 1.0 FS -
CMSD 689 Clinical Internship in Speech-Language Pathology - 2.0–8.0 FS -
CMSD 699P Master's Project - 1.0–6.0 FS -

OR (the following course may be substituted for the above)

CMSD 699T Master's Thesis - 1.0–6.0 FS -
12 courses required:

Note: all courses must be taken for a letter grade unless the course is specified in the program as CR/NC grading.

In order to participate on clinical practicum and internships, the following are required: professional liability insurance, tuberculosis test, CPR certification, a Certificate of Clearance, and up to date vaccinations.

**Professional liability insurance is required for participation in clinical practice.** Hepatitis B inoculations and tuberculosis tests are required prior to working in off-campus settings. CPR certification is required prior to internships.

2. Completion of one of the following plans:
(a) **Thesis Plan:** This plan requires a thesis (including appropriate enrollment in CMSD 699T) plus at least 30 units of letter-graded graduate-level course work (Completion of 400 clock hours of supervised clinical experience in the practice of speech-language pathology). A public presentation of the thesis will be conducted. Students who are planning to continue their educations to the doctoral level or who are interested in a career in speech and hearing sciences or research are encouraged to choose the thesis plan. Comprehensive Examination Plan: All required courses in addition to completion of a proctored 7-hour written comprehensive over 2 days. Failure of one or more questions will result in re-writing portions or all of the comprehensive examinations.

(b) **Comprehensive Plan:** This plan requires at least 35 units of letter-graded graduate-level course work including 6 graded, clinical practicum units, from 7-14 units of CR/NC clinical practicum units (400 clinical clock hours) and completion of a proctored 7-hour written comprehensive examination over 2 days. Failure of one or more questions will result in re-writing portions or all of the comprehensive exams. Thesis Plan: All required courses in addition to completion of a thesis. This plan is encouraged for students who are planning to continue their educations to the doctoral level or who are interested in a career in speech and hearing sciences or research. A public presentation of the thesis will be conducted. Students completing a thesis enroll in 3 units of Master’s Thesis, CMSD 699T

3. Development and maintenance of a portfolio to demonstrate the following:

(a) competence in research, writing, and oral skills,

(b) clinical competence in speech-language pathology and in audiology screening, including completion of a minimum of 400 clock hours of supervised clinical experience in the practice of speech-language pathology.

4. Participation in annual Performance Reviews.

5. Deviation from the curriculum outlined above will only be considered upon advice and consent of the Graduate Coordinator.

6. Substitutions may be selected from outside the program by the student with the advice and consent of Graduate Coordinator.

7. Approval by the faculty, the Graduate Coordinator, and the Graduate Coordinators Committee on behalf of the faculty of the University.

8. In most cases, the MA pattern is used to complete requirements for the Speech-Language Pathology Services Credential. CBEST must be passed prior to completion of the master's degree.

**Graduate Requirement in Writing Proficiency:**

Writing proficiency is a graduation requirement.
Communication Sciences and Disorders students will demonstrate their writing competence through successful completion of CMSD 682, Diagnostic Practicum.

**Graduate Grading Requirements:**

All courses in the major (with the exceptions of Independent Study - 697, Master's Project - 699P, and Master's Thesis - 699T) must be taken for a letter grade, except those courses specified by the department as ABC/No Credit (400/500-level courses), AB/No Credit (600-level courses), or Credit/No Credit grading only. A maximum of 10 units combined of ABC/No Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 697, 699P, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the University that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.

Students must maintain a minimum 3.0 grade point average in each of the following three categories: all coursework taken at any accredited institution subsequent to admission to the master's program; all coursework taken at CSU, Chico subsequent to admission to the program; and all courses on the approved master's degree program.

**Graduate Advising Requirement:**

Advising is mandatory each semester for Communication Sciences and Disorders majors. Consult the Graduate Coordinator for specifics.

Note: All CMSD graduate courses require admission to the CMSD Master's program.
Minor Change to a Graduate Program

Program Name: Communication Sciences & Disorders

Complete only if applicable
Program named above is:

☐ Option within ____________________________ (degree program name)

☐ Certificate

Department Contact(s) w/phone #(#s):

Susan Steffani X6838

Brief rationale for change:
Restructuring the course requirement section of the catalog copy to match the current catalog format for program requirements and to accurately reflect the current program practice.

Does the proposed change enhance or support the Diversity Action Plan (see definition & Task 3.1)? No
If yes, please explain.

The Master of Arts in Communication Sciences and Disorders

Note: The MA pattern is used to complete requirements for the Speech-Language Pathology Services Credential. Refer to the website www.ets.org/praxs.asah for information on current examination requirements.

Course Requirements for the Master's Degree: 52-60 units

Continuous enrollment is required. At the discretion of the academic program, a maximum of 30 percent of the units counted toward the degree requirements may be special session credit earned in non-matriculated status combined with all transfer coursework. This applies to special session credit earned through Open University, or in courses offered for academic credit through the Center for Regional and Continuing Education.

Graduate Time Limit:

All requirements for the degree are to be completed within five years of the end of the semester of enrollment in the oldest course applied toward the degree. See Master's Degree Requirements in the University Catalog for complete details on general degree requirements.

Prerequisites for Admission to Conditionally Classified Status:

1. Satisfactory grade point average as specified in Graduate and Postbaccalaureate Admission Requirements in the University Catalog.
2. Approval by the department and the Office of Graduate Studies.
3. An acceptable baccalaureate from an accredited institution, or an equivalent approved by the Office of Graduate Studies.
4. Completion of the Graduate Record Exam.

Prerequisites for Admission to Classified Status:

In addition to any requirements listed above:

Successful completion of CMSD 488 Research Methods or equivalent, as determined by the faculty.

Advancement to Candidacy:

In addition to any requirements listed above:

1. Development of an approved program plan in consultation with the Graduate Coordinator.
2. Classified graduate standing.
3. Completion of two semesters of full-time coursework and clinic with at least a 3.0 grade point average.

Requirements for the MA Degree in Communication Sciences and Disorders:

Completion of all requirements as established by the program, graduate advisory committee, the Graduate Coordinator, and the Office of Graduate Studies, to include:

(a) 52-60 units in the discipline of Communication Sciences and Disorders.

(b) At least three-quarters of the units required for the degree in 600-level courses.

(c) At the discretion of the academic program, a maximum of 30 percent of the units counted toward the degree requirements may be special session credit earned in non-matriculated status combined with all transfer coursework. This applies to special session credit earned through Open University, or in courses offered for academic credit through the Center for Regional and Continuing Education. (Correspondence courses and UC Extension coursework are not acceptable for transfer).

(d) Not more than 15 units taken before admission to classified status.
(e) Not more than a total of 10 units of Independent Study (697) and Master's Thesis (699T) or Master's Project (699P), not more than 6 units of Master's Thesis (699T) or Master's Project (699P).

(f) Completion of 400 clock hours of supervised clinical experience in the practice of speech-language pathology.

Course work must be selected each semester according to the following sequence of offerings:

Requirements for the MA Degree in Communication Sciences and Disorders:

Completion of the following courses, or their approved transfer equivalents, is required of all candidates for this degree.

12 courses required:

CMSD 543 Autism Spectrum Disorders and Behavioral Interventions 3.0 FA
CMSD 620 Acquired Cognitive and Language Disorders 4 3.0 FA
CMSD 630 Disorders of Articulation and Phonology 3.0 FA
CMSD 631 Fluency Disorders and Counseling in CMSD 2.0 SP
CMSD 633 Professional Aspects of Speech-Language Pathology 3.0 SP
CMSD 635 Voice and Resonance Disorders 3.0 SP
CMSD 640 Assessment and Management of Auditory Disorders 3.0 FA
CMSD 642 Motor Speech and Swallowing Disorders 4 3.0 SP
CMSD 645 Augmentative and Alternative Communication 3.0 SP
CMSD 652 Seminar in Language Disorders in Children 3.0 FA
CMSD 674 Methods in Speech Language Pathology in Schools 1.0 FA
CMSD 682 Practicum in SLP Diagnosis 1.0 FS

3 courses required to be taken 2 times each:

CMSD 532 EBP and Experimental Design in CMSD 2.0 FS
CMSD 575 Methods in Speech/Language Pathology 1.0 FS
CMSD 589 Clinical Internship in SLP 4.0 FS

2 courses required to be taken 3 times each:

CMSD 580 Community and Service Learning 1.0 FS
CMSD 584 Clinical Practicum 2.0 FS

Note: All courses must be taken for a letter grade unless the course is specified by the program as CR/NC grading.

In order to participate in clinical practicum and internships, the following are required: professional liability insurance, tuberculosis test, CPR certification, a Certificate of Clearance, and up to date vaccinations.
CMSD 689  Clinical Internship in Speech-Language Pathology  2.0-8.0  FS
CMSD 699P  Master's Project  1.0-6.0  FS

OR (the following course may be substituted for the above)

CMSD 699T  Master's Thesis  1.0-6.0  FS

Professional liability insurance is required for participation in clinical practice. Hepatitis B inoculations and tuberculosis tests are required prior to working in off-campus settings. CPR certification is required prior to internships.

2. Completion of one of the following plans:

(a) Thesis Plan: This plan requires a thesis (including appropriate enrollment in CMSD 699T) plus at least 30 units of letter-graded graduate-level course work (Completion of 400 clock hours of supervised clinical experience in the practice of speech-language pathology). A public presentation of the thesis will be conducted. Students who are planning to continue their educations to the doctoral level or who are interested in a career in speech and hearing sciences or research are encouraged to choose the thesis plan.

(b) Comprehensive Plan: This plan requires at least 35 units of letter-graded graduate-level course work including 6 graded, clinical practicum units, from 7-14 units of CR/NC clinical practicum units (400-credit clock hours) and completion of a proctored 7-hour written comprehensive examination (2 days). Failure on one or more questions will result in re-writing portions or all of the comprehensive exams.

3. Development and maintenance of a portfolio to demonstrate the following:

(a) competence in research, writing, and oral skills,

(b) clinical competence in speech-language pathology and in audiology screening, including completion of a minimum of 400 clock hours of supervised clinical experience in the practice of speech-language pathology.

4. Participation in annual Performance Reviews.

5. Deviation from the curriculum outlined above will only be considered upon advice and consent of the Graduate Coordinator.

6. Substitutions may be selected from outside the program by the student with the advice and consent of Graduate Coordinator.

7. Approval by the faculty, the Graduate Coordinator, and the Graduate Coordinators Committee on behalf of the faculty of the University.

8. In most cases, the MA pattern is used to complete requirements for the Speech-Language Pathology Services Credential. CBEST must be passed prior to completion of the master's degree.

Graduate Requirement in Writing Proficiency:

Writing proficiency is a graduation requirement.

Communication Sciences and Disorders students will demonstrate their writing competence through successful completion of CMSD 682, Diagnostic Practicum.

Graduate Grading Requirements:

All courses in the major (with the exceptions of Independent Study - 697, Master's Project - 699P, and Master's Thesis - 699T) must be taken for a letter grade, except those courses specified by the department as AB/Credit (400-600 level courses), AB/No Credit (500-level courses), or Credit/No Credit grading only. A maximum of 10 units combined of AB/Credit, AB/No Credit, and Credit/No Credit grades may be used on the approved program (including 697, 699P, 699T and courses outside the major). While grading standards are determined by individual programs and instructors, it is also the policy of the University that unsatisfactory grades may be given when work fails to reflect achievement of the high standards, including high writing standards, expected of students pursuing graduate study.

Students must maintain a minimum 3.0 grade point average in each of the following three categories: all coursework taken at any accredited institution subsequent to admission to the master's program; all coursework taken at CSU, Chico subsequent to admission to the program; and all courses on the approved master's degree program.

Graduate Advising Requirement:

Advising is mandatory each semester for Communication Sciences and Disorders majors. Consult the Graduate Coordinator for specifics.

Note: All CMSD graduate courses require admission to the CMSD Master's program.
a) Comprehensive Examination Plan: All required courses in addition to completion of a proctored 7-hour written comprehensive over 2 days. Failure of one or more questions will result in re-writing portions or all of the comprehensive examinations.

b) Thesis Plan: All required courses in addition to completion of a thesis. This plan is encouraged for students who are planning to continue their educations to the doctoral level or who are interested in a career in speech and hearing sciences or research. A public presentation of the thesis will be conducted. Students completing a thesis enroll in 3 units of Master’s Thesis, CMSD 699T.
