Minor Change to an Undergraduate Program

Program Name: Management

Complete only if applicable
Program named above is:
☐ Option within ___________________________
   (degree program name)

☐ Advising Pattern within ___________________________
   (option name)

within ___________________________
   (degree program name)

☑ Minor
☐ Certificate

☐ Changes being made affect a subject matter preparation or credential program.

Brief rationale for change:
The purpose of the change is to reduce the current minor's 21 units to 18 to make the minor more accessible for students in high-unit majors. The required and elective courses were streamlined to be more reflective of the recent revision in the Management Option and to offer more depth for managerial career preparation.

Does the proposed change enhance or support the Diversity Action Plan (see definition & Task 3.1)? No
If yes, please explain.
