Minor Change to an Undergraduate Program

Program Name: Project Management

Complete only if applicable
Program named above is:
☐ Option within ____________________________
(degree program name)

☐ Advising Pattern within ____________________________
(option name)

within ____________________________
(degree program name)

☑ Minor
☐ Certificate

☐ Changes being made affect a subject matter preparation or credential program.

Brief rationale for change:
The purpose of the change is to reduce the minor's 21 units to 18 to make the minor more accessible to students in high unit majors. MGMT 389E was replaced by MGMT 389C to foster better student flow. MGMT 441 was replaced by MGMT 480 to offer a new course highly relevant to project managers.

Does the proposed change enhance or support the Diversity Action Plan (see definition & Task 3.1)? No
If yes, please explain.
