Sustaining Chico’s Black Community: Past and Present

Wednesday, February 23
NOON-1:00 PM
BMU 210

Join us for a conversation with members of our local Black community, as they take us on a journey back to what it was like to live and go to school in Chico in the 1960’s. What systems were in place that allowed them to persist to graduation? What role did the Black community have on their success? Have issues surrounding racism changed from the 1960’s to 2011?

Bring your lunch and join us!
Beverages and snacks will be served
