Sergio Garcia is an alumnus of Chico State who passed the California State Bar Exam on his first attempt in 2009. His admittance to the State Bar is being reviewed by the California Supreme Court because Sergio was born in Mexico and brought to the US by his parents as a young child. Sergio filed a petition 17 years ago to become a legal citizen. He is still waiting for a ruling on this petition, which can take decades. Join us as he shares his interesting and compelling story.
