Purple Thursdays

On Thursdays March 5, 12, 19, 26 wear something purple... a ribbon, a shirt, a sweater, a pair of socks, your hair, whatever! To show support for the women of our campus and community show up in purple. "Purple has long been the color of the women's movement, beginning with the suffragettes and is a symbol of pain and suffering," according to a men-centric, pro-feminist Website.
