

# *Conversations on Diversity*

## How much is [your] health care worth?

*Facilitated by Professor Mark Tomita, Health and Community Services*

Wednesday, October 21  
Noon~1:00 pm  
BMU 210

This session will examine issues related to the costs of health care in America as it relates to race, age and socioeconomic status. Fact checking of the current health care bill making its way through Congress will be also be discussed.

**Bring your lunch and join us!**
