9500 Liberty

Join us for a conversation with director/producer Eric Byler as he discusses his film 9500 Liberty, a documentary on America’s explosive battle over immigration policy.

Wednesday, September 15
NOON-1:00 PM

“A few years before Arizona passed its new immigration law, a similar law was passed and then repealed in Virginia's Prince William County. The documentary 9500 Liberty tells the fascinating story of how that happened, and possibly foretells what lies ahead for Arizona. In Virginia, the law was eventually overturned by a combination of middle-class whites, Republican office holders, the police chief, Latinos and economic reality.”

--Robert Ebert, The Chicago Sun-Times
