Cultural Dialogues: Serving Chinese International Students at CSU, Chico

Facilitated by CSUC Faculty Staff Internationalization Task Force

NOON-1:00 PM
BMU 210

This participatory workshop will help students, faculty, and staff better understand the experiences of Chinese international students on campus, ways in which these students may be better served, and ways in which their knowledge and experiences can be better incorporated into the curriculum.

The CSUC Faculty Staff Internationalization Task Force has been working campus-wide to educate and raise awareness among faculty and staff to understand and work successfully with a culturally and linguistically diverse international student population.
