Thinking Outside the Gender Boxes: Supporting our Trans* Students

Facilitated by the Transgender Task Force

Wednesday, November 13
NOON-1:00 PM
BMU 210

What is everyday life like on campus for a gender non-conforming student? What resources are available? What is cisgender privilege? How can faculty, staff, and students provide a supportive and inclusive atmosphere? Why is it important to know and use affirming language? This CODI will begin with an educational presentation and devote a large portion of the time to a panel of trans* students who will answer questions from the audience.
