I. Background and Significant Achievements

President Zingg announced the formation of the University Diversity Council (UDC) in his fall 2014 convocation address, reiterating CSU Chico’s commitment to equity, diversity, and inclusion. President Zingg further articulated his support for the addition of a 7th priority—diversity and inclusion—to the University Strategic Plan.

To ensure that the advancement in diversity garners broad-based endorsement at Chico State, the UDC is staffed by faculty, students, staff and administrators from key diversity groups and across campus divisions and disciplines. To signal his deep commitment, President Zingg chairs the UDC and meets regularly with the UDC Executive Team (ET), which includes Wenshu Lee, AVP for Faculty Affairs, Tray Robinson, Director, Office of Diversity and Inclusion and Michelle Morris, Faculty Diversity Officer.

The UDC honors a collaborative approach and currently acts in place of a Chief Diversity Officer following the unsuccessful search for this position conducted in fall 2013. AY 2014-2015 UDC members included: Charles (CC) Carter, Pedro Douglas, Frank Li, Chela Mendoza Patterson, Dylan Saake, Paula Selvester, Eddie Vela, Joe Wills, students Candy Pahua, Jordan Walsh, and Anita Zamora, the UDC ET and President Zingg (Chair).

Continuing the work of many on our campus who created the Diversity Action Plan and who have advocated for diversity including the former President’s Diversity Council and Chief Diversity Officer, Dr. Tracy Butts, the UDC was charged with seven key priorities at its inception. These included:

1. Stewarding the Diversity Action Plan;
2. Examining what it means to be a Hispanic Serving Institution (HSI);
3. Considering Diversity and Inclusion as a 7th priority of the Strategic Plan;
4. Implementing an annual Equity, Diversity and Inclusion Scorecard Report;
5. Assessing campus climate/inclusivity;
6. Increasing workforce diversity; and
7. Closing the achievement gap between underrepresented minority (URM) and non-URM student populations

The UDC met on a monthly basis and three workgroups were established in November 2014, following a highly successfully UDC retreat, to address the 7 Priorities and related key performance indicators (KPIs) (see Table 1). The UDC also established organizational KPIs (see Table 2).

To network across divisions in fall 2014, the UDC ET met with leadership in Academic Affairs, Student Affairs, Business & Finance and Advancement as well as key constituencies, including the Faculty Senate, Staff Council, and Graduation Initiative Committee to introduce the Council’s work and solicit feedback on the Priorities identified. Through those meetings additional campus and community partners were
identified and engaged in this work. The UDC Priorities were integrated within the renewal of Academic Plan process as well as the Strategic Plan and Graduation Initiative.

UDC members also met with California community college partners. In addition, allies at CSU and UC campuses were identified and engaged in conversation and action toward our shared commitment to student success. UDC members attended regional, state and national meetings in order to identify best practices related to educational equity, diversity and inclusion.

In addition to the monthly general UDC meetings, the three established workgroups met separately on a monthly basis during the spring 2015 semester. Workgroup membership, associated priorities and significant achievements are listed below.

**Workgroup 1**

Members included Frank Li, Candy Pahua, Tray Robinson, Eddie Vela, and Joe Wills. This group focused on the following priorities:

- Priority 1. Diversity Action Plan 2010-2015 Stewardship
- Priority 3. Adding a 7th Priority on Diversity to the Strategic Plan
- Priority 5. Annual Report Scorecard

Workgroup 1 tracked the number of faculty and staff who have participated in campus diversity trainings. This information will be placed on the Office of Diversity and Inclusion website and the Workgroup recommends that these faculty and staff be utilized on search committees for their demonstrated diversity competency. The Workgroup will send language to all divisions on campus in fall 2015 recommending that diversity be placed on all agendas, and include examples of how to facilitate this process. They will also meet with divisions that submitted a Diversity Action Plan (DAP) and ask for an update on their work during fall 2015. Workgroup 1 recommends that the Faculty Diversity Officer take the lead on the DAP renewal process.

Workgroup 1 developed language for a 7th Priority on Diversity to be included in the University Strategic Plan. This language was provided to the President’s cabinet for feedback in May 2015. Once approved by the cabinet, AS leadership, Staff Council, and Academic Senate feedback will also be solicited.

A draft template of the Annual Report Scorecard has been developed and will be presented to the UDC for further discussion and development during the fall 2015 semester. The first Annual Report will be presented in spring 2016.

Workgroup 2

Members included Teresita Curiel, Pedro Douglas, Michelle Morris, Vince Ornelas, Chela Patterson, Cecilia Santillan-Robles, Jordan Walsh, and Paul Zingg. This group focused on the following priorities:

- Priority 2. Hispanic Serving Institution (HSI) Status Considerations
- Priority 7. Closing the Achievement Gap

A HSI Steering Committee of UDC Workgroup 2 members and Chicano Latino Council members Teresita Curiel, Vince Ornelas and Cecilia Santillan-Robles engaged with campus and community stakeholders and attended state and national meetings related to HSI status considerations. Campus leadership as well as community and family engagement were identified as critical to Latino student success. HSI branding and high visibility on the campus website, using an asset vs. deficit based narrative related to HSI status, enhanced student and faculty support, and investment in Multicultural Gender Studies (MCGS)/Chicano Studies were additional themes and recommendations that emerged this year. A Conversation on Diversity related to HSI status is planned during Hispanic Heritage Month in September 2015.

Workgroup 2 and Chicano Latino Council representatives recommended that a half-time Interim HSI Coordinator be appointed to lead campus efforts toward HSI designation and grant related activities. A candidate for this position is expected to begin in August 2015. The workgroup and UDC ET recommends that a grant writer be identified early in fall 2015.

UDC ET members engaged the campus Graduation Initiative Committee in conversation regarding Priority 7 this past year. Workgroup 2 members will continue to collaborate with the Committee to establish and assess key performance indicators for reducing the achievement gap during the 2015-2016 academic year.

Workgroup 3

Members included CC Carter, Wenshu Lee, Dylan Saake, Paula Selvester, and Anita Zamora. This group focused on the following priorities:

- Priority 4. Increase Workforce Diversity
- Priority 6. Campus Climate Considerations

The inaugural mandatory Strategies for Avoiding Unconscious Bias in the Hiring Process training for all tenure track faculty search committee chairs was held in May. The

Inquiries may be directed to mrmorris@csuchico.edu
training was required in order to proceed with 2015-2016 hires and over 30 attended including four deans. Evaluations of training content and format were positive. An additional training will be held in September 2015 for those unable to attend in May. The training was adapted from the Humboldt State University training attended by Michelle Morris, Tami Toon, and Sheryl Woodward in January 2015. Additional trainings for faculty, staff, and administrators will commence during the 2015-2016 academic year.

The Workgroup recommended increasing the power of deans and other hiring authorities to offer competitive packages, hire more than one candidate if this will advance the diversity priorities of the university, or creatively incentivize the hiring of diverse candidates. Additional recruitment efforts might include setting diversity percentage goals for applicant pools (EO 1088 & Chico State Affirmative Action Plan). If diverse applicants, semifinalists, and finalists are not present or included, go back to committee and require justification and/or additional efforts/time to secure a more diverse pool. In addition, the Workgroup recommends establishing diversity guidelines for temporary/emergency recruitment in all areas.

E-Recruit for faculty recruitment will commence with the 2015-16 hiring cycle. In addition, the Workgroup collected exit survey instruments and chose the Fresno State exit survey for 2015 exit data collection.

Workgroup 3 compared the May 2015 campus climate survey with the original survey created by the Diversity Action Plan members in 2013 to ensure that diversity and inclusion related questions were represented.

Summary

Significant progress toward achievement of the UDC key performance indicators was made. Acting President Richmond chaired and supported the UDC during President Zingg’s leave in spring 2015. The UDC ET proposed a UDC Budget for 2015-2016. Subsequently, Susan Elrod, Lori Hoffman, and Drew Calandrella provided feedback to a budget for the upcoming year, which was approved by President Zingg.

The UDC will meet for a summer 2015 retreat on August 6 to plan for 2015-2016. There will also be opportunities for campus and community engagement with the Priorities in the fall as the UDC continues its efforts and outreach. These activities will be advertised through Campus Announcements. General UDC as well as workgroup meeting agendas, minutes and related resources can be found on the UDC website at: http://www.csuchico.edu/diversity/university-diversity-council/index.shtml
