Dear Colleagues,

I am pleased to announce the 2016 Diversity Academy will be held this summer, July 11 to July 21, 2016 and is open to all CSU, Chico faculty and staff. During this intensive and interactive two-week summer seminar, participants will draw both on a wide variety of readings from experts in diversity and social inequality as well as their own experiences and knowledge.

The Diversity Academy’s objectives are several: 1) develop best practices for synthesizing diversity in curricular, co-curricular, and extra-curricular activities (Priority 3); 2) develop a shared understanding of diversity and increase competencies in our educational offerings and diversity efforts; 3) cultivate interests in applied research and funding opportunities in the field of diversity studies; and 4) establish an ongoing community discussion in which issues related to diversity can be addressed among colleagues across disciplines and divisions. Furthermore, the Diversity Academy supports several of the Diversity Action Plan (DAP) priorities and tasks such as increasing the diversity competencies of Chico State faculty and staff and fostering a shared understanding of diversity.

The seminar will meet Monday, July 11th through Thursday, July 14th and Monday, July 18th through Thursday, July 21st. Sessions will run from 9:00 a.m. to 4:00 p.m. daily. Space is limited to twenty (20) people. Participants in the Diversity Academy will receive all seminar materials. Consequently, they will be expected to 1) attend all sessions from July 11th to July 21st, 2) complete all of the reading assignments, 3) make a presentation to the CSU, Chico community, and 4) participate in the greater community of diversity agents across the CSU, Chico institution to collaborate and mentor the next cohort.

Applications are due on Friday, April 15, 2016 and can be obtained on the Office of Diversity and Inclusion website.
