“The mission of the Chico State Safe Zone program is to challenge homophobia, transmisogyny, cis- and heterosexism on the university campus and community by encouraging welcoming and inclusive environments for Lesbian, Gay, Bisexual, Transgender, Intersex, Queer or Questioning, and Asexual (LGBTQ+) students, faculty, staff, and community members.

The Safe Zone program is a 2 hour introductory training that invites participants to learn about LGBTQ+ issues, provide resources, and create a supportive environment for LGBTQ+ students, faculty, and staff exploring issues of sexual identity, gender identity, and gender expression.”
