Safe Zone's purpose is to reduce homophobia and heterosexism on our campus and thereby make our campus a safer and freer environment for all members of our community. The Safe Zone project identifies individuals in the campus faculty, staff and student body to become safe zone allies. These people provide a safe haven, a listening ear, or an open accessibility for gay, lesbian, bisexual and transgender (GLBT) who are in need of advising or services from that individual. The Safe Zone program will provide the campus Allies with training, information, and community resource identification to those who express interest in becoming a Safe Zone Ally.
