Faculty, Staff, and Student Employees can now complete defensive driver training on-line in the Development and Training System (DTS.)

Complete the three (3) web based training modules, print and complete the Defensive Driver Training Employee Information and Authorization for Release of Driver Records form, and mail to EHS. To complete the on-line defensive driver training you must be assigned to the DDT Learning Track. Please contact Kathy Kinch at kkinch@csuchico.edu to request enrollment.

SEATING IS LIMITED - You must register for the session. If you did not register, and the room has reached its maximum occupancy, you will be asked to register and attend another session.

To register for a defensive driver training session, please log into the new Development and Training System or send an e-mail to kkinch@csuchico.edu
