Adjustments for travel expenses will be considered only for expenses exceeding the standard travel allowance. Our first priority is to deliver aid to students based on their initial eligibility. Your FAFSA must be complete with accurate 2014 tax, income, and family information. Review of exceptional circumstances will take place after (1) you complete a 15/16 FAFSA and (2) you receive an initial aid offer from CSU, Chico and (3) submit all required documentation including verification information if required.

We recommend that you accept your initial award offer including loans, and plan to cover costs from your current aid package, employment, and family resources. Review annual loan eligibility at www.csuchico.edu/fa/typesOfAid/loans/types/index.shtml. Appeals submitted in Summer 2015 will be evaluated after the fall semester begins. You will receive notice of our decision sent to your mailing address on your Student Center.

Read instructions and complete this form with all requested information. If you plan to complete more than one appeal, please submit all appeals and documents at one time. Incomplete appeals will not be processed.
