The National Student Loan Data System (NSLDS) indicates that you are in the process of applying for, have applied for, or have applied and received a Total and Permanent Disability discharge for one or more of your federal student loans and/or TEACH Grant Service Obligations. Before you can receive additional federal student loans and/or TEACH Grants, you must complete and submit this form to the Financial Aid and Scholarship Office. Based on the information you provide and on NSLDS information, we will determine if you are eligible for additional federal education loans and/or TEACH Grants.

☐ I do not want additional federal educational loans and/or TEACH Grants for the 2017-2018 academic year.

If you would like to be awarded federal educational loans and/or TEACH Grants, complete the rest of this form and submit it to the Financial Aid & Scholarship Office. Note: You must also submit a separate application for federal educational loans.

☐ I have not filed for a total and permanent disability discharge on any of my federal educational loans (Stafford, Perkins, Parent PLUS, Graduate PLUS) or TEACH Grant Service Obligation. Note: We will check the status of all your loans on the National Student Loan Data System.

☐ I am interested in being awarded federal educational loans and/or TEACH Grants for the 2017-2018 academic year. I must provide the following (#1 and #2 below) and do the following (#3 below) to establish eligibility for federal educational loans and/or TEACH Grants:

1. A signed physician’s letter, must be on official letterhead, indicating that you are able to engage in substantial gainful activity;

2. A signed personal statement indicating: (a) that you are able to engage in substantial gainful activity and, (b) you are aware that a new loan or TEACH Grant Service Obligation cannot later be discharged for any present impairment unless it deteriorates, so that you are again totally and permanently disabled (Student - Loan/TEACH Disability Discharge Personal Statement form available at www.csuchico.edu/fa/forms/printable.shtml).

3. If your discharged loans or TEACH Grant Service Obligation are still in a conditionally discharge or monitoring period (NSLDS Loan Status Codes DI or DS), you must resume repayments on the previously discharged loan(s) or reinstate the service obligations associated with the previously discharge TEACH Grant Service Obligations before you can receive a new federal student loan and/or TEACH Grant. You must sign the statement below to legally acknowledge your obligations to your previously discharged loans or TEACH Service Obligations.

I acknowledge that I am subject to the terms and obligations of my previously discharged federal student loans or TEACH Grant Service Obligation.

Student Signature: ___________________________ Date: ______________

If your application for a disability discharge is still being processed, it will be suspended or rejected when you receive a new federal student loan and/or TEACH Grant.

Note: You must provide an additional signed personal statement (#2 above) for every loan and/or TEACH we process for 2017/2018 academic year.

If you have questions about your discharged loans and/or TEACH Grants contact:
