**Minutes for
University Construction Advisory Committee (UCAC)**

**March 4, 2009
10-11am
Selvester's Café, Room 104**

Present: Scott Claverie, Kathleen Purvis, Eric Reichel, Marvin Pratt, Jamie Starmer, and Jenna Wright

Guest: Duane Knudson

Items

1. Move Kinesiology storage bin to western end of tennis courts (Duane Knudson)
 - Kinesiology wants to move one of the metal storage containers, currently located between the track and the back of Acker Gym, to the western end of the tennis courts next to another storage container. This would then allow them to have all of their equipment in one area.
 - There were no objections by the committee.
 - The item will go to CPEC next.

2. Miscellaneous
 - Both Scott Claverie and Kathleen Purvis questioned whether there really had been no projects since November 2008 when we had the last meeting. Two examples they brought up were RCE moving to the east side of MLIB and the Janet Turner Print Museum moving to MLIB. They basically were wondering where the committee is heading because it seems like many more projects used to be brought to it. Jenna said that she talks with Norma in FMS every two weeks and that Norma had not brought any projects forward. Jenna also said that Lori was currently reviewing all of the committees.
