2017 SPONSORSHIP OPPORTUNITIES

Please join us in sponsoring a world-class experience at the Gateway Science Museum! Providing a museum where young people can revel in the excitement of science is good for the kids, the community, the country and the planet. Life-long learners will also delight in ever-changing exhibits and activities.

A sponsorship contribution provides a number of benefits for you, your family, friends and business throughout the year. In turn, the satisfaction gained by such on-going support of the Gateway is held in the hearts and minds of those who visit and continue to return to enjoy a variety of dynamic, engaging programs.

Since opening in 2010, the Gateway has hosted over 125,000 visitors, including more than 35,000 youth on field trips. Continuing this widespread influence will enhance the joy of discovery and exploration throughout 2017:

World Class Touring Exhibits

- “Design Zone” from Oregon Museum of Science and Industry
- “Delta Grandeur” by Rich Turner and toured by Exhibit Envoy
- “Our Ocean’s Edge” by Jasmine Swope and toured by Exhibit Envoy
- “Amusement Park Science” from the Discovery Center Museum
- “Zoo in You” from Oregon Museum of Science and Industry

2016 Successes

- 71% Growth in General Admission
- 67% Growth in Membership
- 59% Growth in Field Trips
- 45 Saturday *Investigation Stations*
- 10 *Garden Science Sundays*
- 15 Counties Served
- 3 Weeks of Discovery Summer Camps
- 9 *Museum Without Walls* Presentations
- 2 *Career Days* for High School Students
- *Hour of Code* Workshop
- *Botanical Drawing* Workshop
- 6 Member and Patron Special Events

Sponsorships are a great way to ensure the continuation of fun and exciting science opportunities for our area youth. Please review the attached sponsorship options, then return the completed contribution form to the Gateway.

With Deepest Appreciation for your participation and support,

Gateway Science Museum Community Advisory Board
