CALIFORNIA STATE UNIVERSITY, CHICO
GRADUATE SCHOOL

APPLICATION FOR DEFERRED ADMISSION FEE

DEFERRED ADMISSION. This program enables you to waive your original $55 application fee. To qualify, you must meet the following criteria: 1) be accepted into a post baccalaureate program 2) paid the original application fee 3) submitted final, official transcripts from all colleges and universities previously attended and 4) have no holds on your student registration.

Deferred Admission is not a program for students who wish to attend another college or to enroll in Open University classes while holding a "space" for a later semester. Students who take classes during the period of deferment are required to reapply and pay the application fee if they wish to return to CSU, Chico.

TIME LIMIT. Students may request a Deferred Admission Fee form one time only for each $55 application fee paid. The deferment shall not exceed two years (four semesters) from the time the original fee was paid.

NOTE: Students whose applications for the Deferred Admission Fee have been approved, do not have to pay the application fee if they return within the four semesters of the deferment. However, **they must submit an application for readmission by the appropriate deadline.**

Complete all information requested below and submit this form to the Graduate School, Student Services Center room 440, or mail to: Graduate School, CSU Chico, Chico, CA 95929-0875.
