

Instructions for Completing the
MASTER'S DEGREE PROGRAM PLAN

- 1) Make an appointment with the Graduate Coordinator for your major. The Graduate School or your Major Department can help you in making the initial contact.
- 2) The Graduate Coordinator will instruct you as to departmental policy, such as the requirements for being advanced to classified status and candidacy, the recommended time to form your Graduate Advisory Committee, and the departmental requirements for committee membership.* The Graduate Coordinator may also provide you with assistance in identifying suitable courses from which you will ultimately build your program. In some cases further advising will be done by your Committee Chair.
- 3) Complete the Master's Degree Program Plan form to reflect the program you decide upon in consultation with your Graduate Coordinator or Committee Chair, as appropriate. Ask your Graduate Coordinator and Committee Chair to check the Plan, and sign it if acceptable.
- 4) After you have signed the form and obtained the signatures of your other committee members, return it to the Graduate School in Tehama 209. Copies will be distributed after the Plan has been reviewed in the Graduate School.
- 5) The approval of your Graduate Coordinator and Committee Chair will be required for any changes made to the Program Plan after it has been submitted to the Graduate School. A copy of each approved change must be filed in the Graduate School.
- 6) Please keep in mind the following minimum requirements for the Master's Degree at California State University, Chico.
 - a) Completion of at least 30 units of 400/500/600-level courses (Please note that many programs require more than 30 units of coursework.)
 - b) At least 18 units in the major discipline
 - c) At least 60% of the units required for the degree in stand-alone 600-level courses (not cross-listed with 400/500-level courses)
 - d) Not more than 10 units total of 696, 597, 697 and 699 coursework, and not more than 6 units of 699
 - e) Not more than 9 units of transfer and/or Open University work (University of California extension courses are not acceptable, nor are any correspondence courses.)
- 7) In addition to the general university requirements, you must also meet all specific program requirements as outlined in the *University Catalog*.

*Committee members must meet both the departmental and general university requirements for committee membership. The general university requirements for committee membership are outlined in *A Guide To Graduate Studies: Policies, Procedures, & Format* which is available online at: http://www.csuchico.edu/gisp/gs/graduate_guide/fall_grad_guide.pdf.
