Brazil	Jacque	Chase	Geography and Planning	Conducted research on regional development, gated communities, and urbanization in the Amazon, central Brazil, Minas Gerais and São Paulo
South Africa	Dean	Fairbanks	Geography and Planning	Worked on regional impacts of environmental change and ecosystems

Australia	Don	Hankins	Geography and Planning	Conducted comparative fire research among Aboriginal populations and National Parks in Australia
Pacific Rim	Don	Hankins	Geography and Planning	Research emphasis on Australia, New Zealand, and Pacific Islands
Guatemala	LaDona	Knigge	Geography and Planning	Worked on community mapping
Japan	Noriyuki	Sato	Geography and Planning	Originally from Japan
Italy	Cristina	Archer	Geological and Environmental Sciences	Originally from Italy
Chile	Terence	Kato	Geological and Environmental Sciences	Researching the tectonics and petrology of the Coastal Range of central Chile
China	William	Murphy	Geological and Environmental Sciences	Conducted research on water quality in Lijiang, China
Mexico	William	Murphy	Geological and Environmental Sciences	Conducted research on the Nopal I uranium mine as an analog of a nuclear waste repository
Australia	Jeff	Price	Geological and Environmental Sciences	Adjunct faculty at the University of the Sunshine Coast
Brazil	Jeff	Price	Geological and Environmental Sciences	Filming documentaries including interviewing local people
France	Jeff	Price	Geological and Environmental Sciences	Taught workshops for the UN (UNEP)
Kenya	Jeff	Price	Geological and Environmental Sciences	Taught workshops for the UN (UNEP)
Switzerland	Jeff	Price	Geological and Environmental Sciences	Taught workshops for the UN (UNEP)
United Kingdom	Jeff	Price	Geological and Environmental Sciences	Extensive research and partnerships
Cameroon	Rachel	Teasdale	Geological and Environmental Sciences	Research on lava flow emplacement, the development of soils, and water resource issues

Costa Rica	Rachel	Teasdale	Geological and Environmental Sciences	Collaborative project providing continuous monitoring of active volcanoes
Ecuador	Rachel	Teasdale	Geological and Environmental Sciences	Researching the eruption and emplacement of lava flows in the Galapagos Islands
India	Katherine	Punteney	Graduate, International, and Interdisciplinary Studies	Four years running international exchange programs in India
Costa Rica	Susan	Place	Graduate, International, and Interdisciplinary Studies/ Geography	Research on the ecological and social impacts of deforestation during the beef boom; exploratory research on the role of women in rural (agricultural) development; consequences of creation of national parks on local populations; impacts of eco-tourism based development
India	Susan	Place	Graduate, International, and Interdisciplinary Studies/ Geography	Research on deforestation in the Himalayan foothills as part of Fulbright summer program
Thailand	Susan	Place	Graduate, International, and Interdisciplinary Studies/ Geography	Taught at a college in Nong Khai, Thailand, during a previous sabbatical leave
Eastern Caribbean	Mark	Tomita	Health and Community Services	Capacity building in public health workforce, developing clearinghouse of Caribbean health information and online training programs
France	Nice	Jason	History	Researching comparative history of early modern Britain and France.
Ireland	Nice	Jason	History	Expertise in British and Irish history.
United Kingdom	Nice	Jason	History	Expertise in British history.
Mexico	Steve	Lewis	History	Research on Mexican revolution and the history of state and nation building in Chiapas as well as official Indian policy in Chiapas.

Korea	James	Matray	History	Research focusing on explaining the origins, course, and impact of the Korean War. Ongoing interest in U.S.-Korean relations, in particular the North Korean nuclear crisis and anti-Americanism in South Korea.
Albania	Kate	Transchel	History	Published book on break-up of Yugoslavia including the areas of Kosovo and Albania
Bulgaria	Kate	Transchel	History	Gives cultural trainings to military officers on Balkan culture and proper protocols
Moldova	Kate	Transchel	History	Researching the history of the sex-slave trade
Ukraine	Kate	Transchel	History	Researching the history of the sex-slave trade
Italy	Danielle	Salvato	Journalism	Studied abroad in Torino, Italy. Completed a minor in Italian. Is an international mentor for international students.
Various	Rebecca	Lytle	Kinesiology	Interested in international research and working with kinesiology faculty from other countries.
Mexico	Charlotte	Ekland	Latin American Studies	Supervise a group of students working at internships in the Yucatan, Researching and photographing colonial buildings throughout Mexico
Costa Rica	Joe	O'Donnell	Latin American Studies	Dissertation research on populations changes and conservation of manatees, co-led intersession class to explore environmental issues and natural history, visit annually to make videos of wildlife and biomes
Cuba	Esther	Larocco	LBST & PSED	Born in Cuba. Teaching English, conducting research and study abroad.
Mexico	Jeff	Trailer	Management	Leads and teaches the COB Guadalajara Intersession Program.
Eastern Caribbean	Warren	Pinkney	Music	Researches Eastern Caribbean music and culture
Eastern Caribbean	Hope	Smith	Music	Researches Eastern Caribbean music and culture

Mexico	Janelle	Gardner	Nursing	Took two groups of nursing students to Mexico to set up and run healthcare clinics for the poor, rural, and indigenous people in the state of Oaxaca
Guatemala	Keiko	Goto	Nutrition and Food Sciences	Conducted nutrition research and implemented projects related to nutrition and community development
Indonesia	Keiko	Goto	Nutrition and Food Sciences	Worked as a health specialist at the Ministry of Health
Jamaica	Keiko	Goto	Nutrition and Food Sciences	Conducted research for UNICEF
Japan	Keiko	Goto	Nutrition and Food Sciences	Originally from Japan. Worked as a Health Specialist at Japan International Cooperation Agency. Conducted research on Japanese food culture
Philippines	Keiko	Goto	Nutrition and Food Sciences	Worked as a health consultant for Japan International Cooperation Agency
Tanzania	Keiko	Goto	Nutrition and Food Sciences	Conducted research for UNICEF
Mexico	Gabe	Aguilera	Political Science	Research on the political economy of financial reforms and the effects of electoral politics on financial regulation
Canada	Donna	Kemp	Political Science	Teaches about Canadian Health Care system
China	Donna	Kemp	Political Science	Has taught in China
Latvia	Donna	Kemp	Political Science	Lived and worked in Latvia on Fulbright program
Lithuania	Donna	Kemp	Political Science	Lived and worked in Lithuania on Fulbright program
New Zealand	Donna	Kemp	Political Science	Lived and worked in New Zealand on Fulbright program
Thailand	Donna	Kemp	Political Science	Has taught in Thailand
Guyana	Sherrow	Pinder	Political Science	Researched the impact of globalization
Ethiopia	Jon	Ebeling	Political Science (Emeritus)	Previous Peace Corps volunteer, trainer, and Associate Director

China	Hsuying	Ward	PSED	Traveled to Shanghai, China and visited universities there.
Costa Rica	Hsuying	Ward	PSED	Received a FIDA and traveled to Costa Rica.
Taiwan	Hsuying	Ward	PSED	Traveled to Tainan, Taiwan and collaborated with a colleague in service learning.
Germany	Neil	Schwartz	Psychology	Works with international students from the University of Koblenz, Landau in Germany who come to apprentice in the conduction of research. Is working on similar arrangements with University of Bari in Italy and the University of Cyprus.
Germany	Eddie	Vela	Psychology; CELT	Received a FIDA and traveled to Germany. While there, took a German class, traveled the country, and made contacts with faculty at various universities.
China	Jason	Clowser	Religious Studies	Expertise in Chines religious history and philosophy, especially in the last 200 years.
Asia	Daniel	Veidlinger	Religious Studies	Teaches Asian religions. Would like to help organize overseas programs in Asia.
Various	Jed	Wyrick	Religious Studies	Adminstration of academic programs that focus on world religion, foreign language acquisition, and the arts and humanities outside of America
