## EVENTS

### CAMPUS INTERNATIONALIZATION

- **Housing for International Students and Scholars**, The School of Graduate, International, and Interdisciplinary Studies maintains a file of housing options for international students and visiting international scholars. If you have an apartment or a room for rent, or know of a visiting scholar looking for housing, please contact Diane Smith at [jdsmith2@csuchico.edu](mailto:jdsmith2@csuchico.edu). Most international students and scholars do not have cars, so options within walking or biking distance are generally preferred.

### OPPORTUNITIES

- [Workshop for faculty who take students abroad](#), Wake Forest University has created a workshop designed for faculty who teach students abroad and/or lead study abroad programs. We would like to invite faculty from your institution to participate, February 27-28, 2009.
