The weather should generally be good but there is some possibility of showers; so be prepared. We will be doing a lot of walking and standing: so wear comfortable shoes. Bring cash for lunch (if you do not want to carry a bag lunch.) and dinner. You may want to carry a pencil and paper with you since Robert will be handing out an amateur critic assignment for which you should make notes.

Class will start for everyone at 10am on Friday morning so we can finish our composite whale drawing.
