

## Subject Matter Competence: Transcript Comparison Worksheet

**Directions:** For each of the CSU Chico courses listed below, list an equivalent course taken as part of your undergraduate degree. Consult the course descriptions in the CSU Chico online catalog to be sure the courses you cite really are equivalent; note that *only junior and senior level courses at other institutions are equivalent to 300 and 400 level courses at CSU Chico*. If you are using more than one college transcript, please indicate in the appropriate column the college at which each course was completed. **A reasonable equivalent of each course is required for subject matter competence.** Fill this form out online, then print it and mail it to the History Department Credential Advisor with the other materials indicated.
