

**OUTLINE OF COURSES LEADING TO THE PARTIAL FULFILLMENT OF  
REQUIREMENTS FOR A B.A. DEGREE IN HISTORY  
(GENERAL HISTORY OPTION)**

List all the courses in your major. Use the number in effect when you took a course. If you completed any courses at another institution, be sure to use that institution's course numbers. If you are uncertain about the specific courses you will take in the future, list several options (e.g. "HIST 335/350/436/437").

| Course number and title              | Actual course taken | Where taken | Semester taken | In progress | To be taken | Number of units | Grade |
|--------------------------------------|---------------------|-------------|----------------|-------------|-------------|-----------------|-------|
| HIST 101<br>Ancient Civilizations    |                     |             |                |             |             |                 |       |
| HIST 102<br>Medieval Civilizations   |                     |             |                |             |             |                 |       |
| HIST 103<br>Modern World             |                     |             |                |             |             |                 |       |
| HIST 290<br>Historians/Methodology   |                     |             |                |             |             |                 |       |
| HIST 490<br>Hist. Research/Writing   |                     |             |                |             |             |                 |       |
| HIST<br>Classical/Near Eastern       |                     |             |                |             |             |                 |       |
| HIST<br>European elective            |                     |             |                |             |             |                 |       |
| HIST<br>European elective            |                     |             |                |             |             |                 |       |
| HIST<br>Non-Western elective         |                     |             |                |             |             |                 |       |
| HIST (400 level)<br>U.S. elective    |                     |             |                |             |             |                 |       |
| HIST (400 level)<br>U.S. elective    |                     |             |                |             |             |                 |       |
| HIST (200/300/400 level)<br>Elective |                     |             |                |             |             |                 |       |
| HIST (300/400 level)<br>Elective     |                     |             |                |             |             |                 |       |
| HIST (300/400 level)<br>Elective     |                     |             |                |             |             |                 |       |
