Things to do BEFORE You Leave

- Before leaving your room, please check your heating and cooling units [HVAC].
- If you live in Lassen or Shasta Halls, please turn the room thermostat to 60° and the fan to low. DO NOT turn off the HVAC unit.
- If you live in Mechoopda/Eskem Halls, please COMPLETELY turn off your HVAC unit.
- If you live in Whitney Hall, turn HVAC units to low. DO NOT turn off the HVAC unit.
- University Housing does not take responsibility for student property left in the halls. It is recommended that you take all valuables home with you (computers, stereos, TV/DVD). If you have any questions, contact your RCC. (Please refer to your Student Housing License Agreement section 16 - Insurance).
- If you have a bike, take it home or store it in your room during the break period. However, you are not permitted to store a motorcycle, moped, electric scooters, or gasoline in your room. This is a State Fire Marshal regulation. For removal and impounding, the responsible resident will be charged $100.
- Arrangements need to be made for aquariums and computers should you choose to leave them. All refrigerator contents should be thrown away or taken with you.
- Remember to close and lock your windows, turn off all lights, take out your trash, and LOCK your door.
- University Housing staff will be entering all rooms to perform routine maintenance and security inspections. The purpose of these inspections is to ensure that no potential fire or safety hazards exist while the halls are closed, and to confirm that the above steps have been completed. However, you can expect that any policy violations (alcohol, appliances, lounge furniture, etc.) will be reported to your RCC and documented for follow-up after the break period.
- Any vehicles left over break must display a valid campus parking permit.
- The University will assume no responsibility for your vehicle. If you have further parking questions, please contact the University Police Department at (530) 898-5555.

Have a safe and restful Spring Break!
