California State University, Chico invites applications and nominations for an innovative and transformative leader to serve in the role of Vice President for Business and Finance, enhance our mission and goals, and further the University’s reputation as an exemplary institution. The Vice President for Business and Finance is the chief business officer and chief financial officer managing a $225 million operating budget and reporting directly to the President.

The Division of Business and Finance operates ten departments in support of the CSU, Chico campus, which serves more than 17,000 students in a residential environment. The division encompasses many areas, from maintenance of the beautiful campus grounds and ensuring safety, to overseeing capital improvements, and providing financial management and transparency. The division has more than 330 staff members and a budget of over $25 million.

The successful candidate will be a dynamic, innovative, collaborative, and experienced leader with a track record of progressive management success in a university or similarly complex setting; planning, resource development and project management skills; experience dealing with governing boards and municipalities; and experience managing a variety of campus operation functions. In addition, the Vice President will demonstrate the capacity to inspire staff to serve with excellence, to be an effective problem solver within a complex organization, and to lead staff through organizational change, including delivery of the finalized campus master plan which is currently being updated. The incumbent embraces the mission of Academic Affairs, Students Affairs, and Advancement; approaches tasks with a “people” orientation; demonstrates commitment to inclusivity and diversity; and possesses exceptional communication and interpersonal skills.

Responsibilities:
The Vice President for Business and Finance is responsible for providing creative vision, leadership, and management of the financial and business functions in support of the University’s academic mission; maintaining open lines of communication and seeking to thoroughly understand diverse points of view; providing appropriate opportunity for input; and making decisions that align the goals of the University.
