Getting Settled in Chico

Clubs & Activities

A complete list of all campus clubs and organizations can be found at www.csuchico.edu/sac/departments/studentorganizations. If you do not see a club you are interested in, you can start one!

International Neighbors and U.N.I.T.E. are especially active Student Organizations at Chico State that offer social connections between American and International students. For more information visit: www.csuchico.edu/international/student/organizations/index.shtml.

Recreational Sports

Chico State’s Recreational Sports Program provides all students with activities, equipment, and facilities. Ability is not important; all a person needs is an interest in the activity and the desire to have fun. For more information, call Recreational Sports at 898-4444, visit them in room 166 at the Wildcat Recreation Center (WREC), or go to: www.csuchico.edu/recsports/index.html. The WREC is free to use for all enrolled CSU, Chico students.

Intramural Sports

In addition to the many clubs on campus, there are many sports teams. Most teams train every day. If you only wish to play sports just once or twice a week, consider intramural sports. These are teams which play for fun against other student teams. Many teams include both men and women. For more information on intramural sports, visit the office in the Wildcat Recreation Center. Or check out: www.csuchico.edu/recsports/intramural.html.

Conversations on Diversity

The Conversations on Diversity series (COD) focuses on the complexities of group and individual identities and how they influence one another. The gatherings
provide a safe space for members of the campus community to consider the often sensitive issues surrounding identity. Conversations on Diversity occur every other Wednesday, noon to 1 p.m. in BMU 210. For more information: www.csuchico.edu/diversity/cod/index.shtml.
