Student Success Tips

How to Excel in the Classroom

Presented by Rebecca Berner
Academic Advising Programs
Go to Class!

• Attendance is important
• Be on time
• If you must miss a class, contact your professor
Know the Expectations
Read the Syllabus

• Your agreement with the professor
• Explains professor’s expectations
• Contains all assignments and due dates
Do Your Own Work

- Give others credit for their work, cite sources
- Cheating has serious consequences

AAP, 2012
Be Prepared

• Check syllabus and Vista
• Read textbook in advance
• Turn in assignments on time
• Bring needed materials to class
Take an Active Role

• Listen carefully and take notes
• Participate in discussions
• Ask questions
