Concurrent Enrollment Policy

Federal regulations at 8 C.F.R. § 214.2(f)(6)(iv) provide that "An F-1 student may be enrolled in two different Service-approved schools at one time as long as the combined enrollment amounts to a full time course of study."

California State University, Chico undergraduate students must enroll in at least 9 units at Chico and provide proof of enrollment in another school for at least 3 more units. Written proof from the second institution must be provided by the end of the ADD/DROP period of the current semester. Graduate students must enroll in at least 6 units at CSU, Chico in order to qualify for concurrent enrollment.

**Academic progress:** At the end of the concurrent enrollment term, the participant must provide a transcript showing completion of the course.
