How to forward your Chico State WildCat e-mail to your private e-mail account:

From the CSU, Chico homepage, go to your WildCat e-mail account:

Log in to your account with your username and password. Once you are in, Click on Settings icon (top right)

1) Choose “Settings”
2) Click on “Forwarding and POP/IMAP” tab

3) Click on “Add a forwarding address”
4) Enter your forwarding e-mail address
5) Click on “Proceed”

Note: The Chico State Wildcat e-mail is a Google account. If your country does not support Google, it is important to have your e-mails forwarded to your private e-mail account while you are in your home country so that you can get important messages from Chico State. Once you come to Chico, you can remove this feature and access your Wildcat e-mail directly.
