

Survey of Spring 2009 Graduating Students

Office of Institutional Research conducts a survey of spring graduating students each year. Administration of the survey is through the web and students are contacted by e-mail for participation with two follow-up e-mails. The purpose of the survey is to acquire information about the future plans of our graduates and the satisfaction with their college education. [Click here](#) to view a sample of the survey protocol.

**California State University, Chico
Spring 2009 Graduate Survey Administration**
